The following week I read an advertisement in the paper of your Vegetable Compound in such an emer-gency, and so I decided to try it. Great was my joy to find that I actually improved after taking two bottles, so I kept taking it for ten weeks, and at the end of that time I was cured. Large Part of Grayson County Shipments Coming to St. Louis.

R. H. Shivel of Sherman, Tex., and representative of the Grayson County truck Mr. Shivel stated that in all probability Grayson County had the largest potato acreage in proportion to its size of any county in Texas, and that the prospects

are excellent for a banner crop.

Mr. Shivel said that it is expected that Mr. Shivel said that it is expected that the 2,300 acres of potatoes planted in Grayson County would yield about 400 carloads of early potatoes, and that while St. Louis has long been recognized as a distributing point for early garden shipments it was believed that the Fair would make the market of St. Louis almost large enough to consume all the shipments of rotatoes and other garden truck from Grayson County.

PRESIDENT POLK'S NIECE

"PE-RU-NA IS WOMAN'S FRIEND.

Mrs. Minnie Lee Collins, Grandniece of the late President James K. Polk, writes from 912 High Street, Nashville, Tenn.: "For several years I experienced a severe attack of female trouble. The best physicians prescribed for me, but without avail. Two years ago I began to take Peruna at the advice of a friend. I noticed a perceptible improvement at once; after taking several bottles I was cured. I hold Peruna in high esteem and am always ready to say a good word for it."-MINNIE LEE COLLINS.

This is the same old story told by a thousand women in a thousand different ways. Female trouble, doctors full to cure: Peruna, as a last resort, a happy relist from a dreary servitude to aches, pains and a complication of physical anguish that can never be described.

These women all fell the same story. Pains all gone. Dragging sensations gone. Quivers and throbbings and tremblings and digniness and manuful periods—all gone, in their place has come vigor and vivacity, health and hope, peace and patients; grace and gratitude.

Peruna is a wonder-worker in female diseases and yet the explanation of it is simple. Catarrh is the cause of these troubles. Peruna cures catarrh. The cause being removed the symptoms disagorar.

If you do not receive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case, and he will be pleased to give you his valuable advice graits.

Stomach, Heart and Nerve Cure

READ HIS LETTER War Department, Washington, D. C.

Elmo Chemical Co., Des Moines, Iowa. Gentlemen—I wish to inform you that I have derived much benefit and a com-plete cure from the use of Cactarine. Previous to the time I commenced using it I was troubled with palpitation of the heart, periodical pains in the left shoulder and

side, and I could not lie on left side. My sleep was disturbed and a heavy feeling and distress after eating. I know I was in a bad and dangerous condition. I noticed your advertisement of Cactarine and sent for a box. I have now taken two boxes.

The nervous pains and other symptoms have disappeared and I feel greatly improved. I cannot recommend your remedy too highly to all those suffering from heart trouble.

Respectfully,

E. EMMETT.
